ARTiculation Discovery Days are designed to **develop and support students' understanding and engagement with art**. During this one-day workshop students will:

- explore art works through **personal observation, discussion** and **primary research**
- be encouraged to **think independently, analyse information, ask informed questions**
- learn how to **conquer nerves, physically prepare, and successfully deliver a presentation to large audiences**
- meet with and **interview art world professionals**

At the end of the day each student will **deliver their research and personal responses in short group presentations** to the workshop leaders and their fellow student investigators.

ARTiculation supports the national Arts Award initiative for both Silver and Gold (gaining up to 35 UCAS points), the EPQ, the Duke of Edinburgh Award, and UCAS personal statements
