

# ARTiculation Discovery Day

ARTiculation

Getting young people talking about the arts

**The Science Museum Group, Wroughton**  
**Thursday 10 October 10.00 - 3.00pm**

**FREE workshop for KS5 students developing critical analysis, research and public speaking skills**

ARTiculation Discovery Days are designed to **develop and support students' understanding and engagement with art**. During this one-day workshop students will:

- explore art works through **personal observation, discussion** and **primary research**
- be encouraged to **think independently, analyse information, ask informed questions**
- learn how to **conquer nerves, physically prepare**, and **successfully deliver a presentation** to large audiences
- meet with and **interview art world professionals**

At the end of the day each student will **deliver their research and personal responses in short group presentations** to the workshop leaders and their fellow student investigators.

ARTiculation supports the national Arts Award initiative for both Silver and Gold (gaining up to 16 UCAS points), the EPQ, the Duke of Edinburgh Award, and UCAS personal statements

To book places please complete and return the booking form.
