ARTiculation Discovery Days are designed to **develop and support students' understanding and engagement with art**. During this one-day workshop students will:

- be encouraged to **think independently, analyse information, ask informed questions**
- learn how to **conquer nerves, physically prepare** and **successfully deliver a presentation to large audiences**
- meet with and **interview art world professionals**

At the end of the day each student will **introduce their research** and **personal responses** in **short group presentations** to the workshop leaders and their fellow student investigators.

A follow-up support session for students wishing to take part in the ARTiculation Prize 2018 will take place at the **Whitechapel Gallery** on **Thursday 7 December, 4pm - 6pm**.
