

The Roche Court Educational Trust

The Roche Court Educational Trust works with children, young people, and teachers to develop confidence and oracy skills by *looking, thinking, and speaking* about art. Our specialist staff provide interactive tours and workshops as well as facilitating longer term projects to make modern and contemporary art accessible to all. Based at the New Art Centre, Roche Court Sculpture Park in Wiltshire, we are an independent charity reliant on voluntary donations.

Friends £50 per annum

As a friend your donation will support the work of the Trust and help to facilitate educational visits and participation by groups that would otherwise be unable to have such an opportunity. In return you will receive updates on our work via our regular newsletters, priority booking for all special artists events and 10% off our Roche artist designed plates and bookshop.

Benefactors £250 per annum

In addition to receiving all the benefits of a Friend you will be invited to specially selected events throughout the year including New Art Centre private views.
